

Our offices are in the lower ground floor (dungeon) of the Cliff Street Chambers which appear in the photograph show to the left of the Royal British Legion. Our offices are accessed from the left hand door of the two either side of the picture window. Please buzz for entry. Meetings are by appointment only.

We hope to influence the local Council to provide one disabled space in due course. In the meantime, parking opposite is hit and miss in the road, but if you shop at Waitrose, there is a car park off Elms Avenue and a multi storey at Leopold Street.
